

# WHY TERRA TERROIR FOR YOUR BIG EVENT?

## 1 Atmosphere: "Omigosh-what A patio!" Choose a place with a vibe!

We hear that "Omigosh" every night: a first time guest walks in and is stunned by the lush greenness and setting of our heated and covered patio. And when we add special event lighting, light the fire places, turn on the waterfall and the surround sound of 12 SONOS speakers, your guests will realize they are in a special place.

THE MAIN PATIO

## 2 Where the Food Matters (a lot)... from a Chef who is nationally recognized as an "artist at work".

Chef Charles Zeran's cooking is well known to food critics and customers alike. A former attorney who gave it all up for his passion in the kitchen is now a 4 Star AAA Diamond Award winning Chef. He has held Executive Chef positions at number one restaurants in Maryland, Virginia and Tennessee. His culinary talent is endorsed by critics and guests alike. Your guests will be appreciative with what comes out of his kitchen and into their mouths.

Terra has hosted everything from formal rehearsal dinners to extravagant Downton Abbey celebrity dinners to all-out corporate celebrations. We are tested and true—and in fact, love the big events we host at Terra.
